Wireless Acquisition Announces the Purchase of the Assets of Andrew Broadband Wireless

Scottsdale, AZ January 8, 2004. Wireless Acquisition LLC, a global wireless communications systems equipment supplier, today announced that it has closed on its agreement to buy selected assets from Andrew Corporation (NASDAQ:ANDW). Selected assets purchased include the Conifer brand name and intellectual property, as well as all of the assets located at Andrew's Broadband Wireless facility in Scottsdale, Arizona. Financial details of the transaction are not being disclosed.

About Wireless Acquisition LLC

Wireless Acquisition (www.e-wti.com) is a privately held telecommunications technology investment, management, and development company working with strategic sellers to acquire under managed or underperforming businesses that provide mission-critical telecommunications solutions and services. The selection criteria requires that these businesses have a recurring revenue base and have an existing customer base with long term and favorable relationships. Their strategy is to assemble a complete portfolio of equipment and systems to provide wireless service providers with a one-stop source for video, voice and data networking systems. Their portfolio includes companies and product lines that represent presence in over 100 countries worldwide, and which products and services are utilized by over one million end user customers.

About Andrew Corp.

Andrew Corporation (NASDAQ: ANDW) designs, manufactures and delivers innovative and essential equipment and solutions for the global communications infrastructure market. The company serves operators and original equipment manufacturers from facilities in 60 countries. Andrew (www.andrew.com), headquartered in Orland Park, IL, is an S&P 500 company founded in 1937.
